## INGREDIENTS

Forage Products, Grain Products, Plant Protein Products, Kelp, Salt, Molasses, Diatomaceous earth, Dicalcium Phosphate, Salt, Calcium Carbonate, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Menadione Nicotinamide Bisulfite Complex, Riboflavin Supplement, D-Calcium Pantothenic Acid, Niacin Supplement, Choline Chloride, Vitamin B12 Supplement, Folic Acid, Thiamine Hydrochloride, Pyridoxine Hydrochloride, Biotin, Manganese Sulfate, Ferrous Sulfate, Calcium Iodate, Zinc Sulfate, Copper Sulfate, Sodium Selenite, Dried Aspergillus Oryzae Fermentation Extract, Saccharomyces Cerevisiae, Dried fermentation product of Lactobacillus Acidophilus, Dried fermentation product of Lactobacillus Casei, Dried fermentation product of Lactobacillus plantarum, Dried fermentation product of Enterococcus Faecium, Dried fermentation product of Bacillus Coagulans, Dried fermentation product of Bacillus Licheniformis, and Dried fermentation product of Bacillus Subtilis.

## FEEDING DIRECTIONS

Dry Does and Herd Bucks-for maintenance feed 2 ounces per 8 pounds of body weight.  
Active Bucks-feed 4 to 6 ounces per 8 pounds of body weight.  
Lactating Does-feed free choice.  
Growers-feed for 4 to 8 weeks free.  
Provide plenty of fresh clean water at all times.

Manufactured By  
**MICOBEE INC.**  
Hamilton, Texas 76531

## Ingredients:

Organic Sun-dried Alfalfa, Organic Oats, Organic Peas, Organic Wheat Millrun, Organic Stabilized Rice Bran, Organic Sunflower Seeds, Organic Flaxseed, Monocalcium Phosphate, Salt, Organic Kelp Meal, Ground Limestone, Diatomaceous Earth, Hydrated Sodium Aluminosilicate, Hydrated Sodium Calcium Aluminosilicate, Organic Flavors(Garlic, Thyme, Anise Oil, Cinnamon, Anise, Rosemary Oil), Organic Yucca schidigera, Extracted Citric Acid Presscake, Ferrous Sulfate, Manganous Oxide, Dehydrated Aspergillus Niger Fermentation Product, Zinc Oxide, Niacin Supplement, Copper Sulfate, Sodium Selenite, d-alpha Tocopheryl Acetate, Calcium Pantothenate, Biotin, Vitamin A Supplement, Vitamin D3 Supplement, Riboflavin Supplement, Pyridoxine Hydrochloride, Menadione Nicotinamide Bisulfite, Vitamin B12 Supplement, Ethylenediamine Dihydriodide, Folic Acid.

## Feeding Directions:

The following feeding amounts are designed as a starting point and should be adjusted for your small animal. The portion is for one animal. Adjust if more animals are fed. Suggested Daily Feeding Amount: Small rabbit and chinchilla feed 1/4-1/2 cup Large rabbit feed 1/2 to 1 cup. Best results are obtained by feeding only the amount the animal will consume in one day. Discarding the uneaten portion and clean food container before next feed. Always provide plenty of clean, fresh water.

**Ingredients:** Alfalfa Hay, Timothy Hay, Whole Safflower, Whole Flax, Monocalcium Phosphate, Salt, Choline Chloride, DL-Methionine, Copper Amino Acid Chelate, Lysine, Zinc Amino Acid Chelate, Manganese Amino Acid Chelate, Niacin, L-Threonine, Selenium Yeast Culture, Ethylene Diamine Dihydroiodide, Cobalt Carbonate.

\*We only use high quality cleaned whole ingredients and grind them fresh just prior to pelleting.

**Feeding Directions:** For rabbits that don't eat enough loose hay (at least 50% of the diet by weight) this hay-based, grain/soy-free food provides the additional hay they need. It is a balanced, fortified and complete food low in calories that contains additional Timothy hay to provide correct amounts of long-strand fiber for proper digestive health. As a result rabbits will regulate their own food intake. It will also help overweight rabbits shed excess body fat and help underweight rabbits gain healthy weight and improved muscle tone by supplying a proper balance of the essential nutrients needed for optimal health. Balanced nutrition and regular veterinary checkups are the best preventative medicine.
